**Matt:** "my psychic power ranger abilities"

**Girl:** "omg I love the pink one"

"Hey! My friend just called me and said he saw a goofball running down the street in her shit stained underwear. Call me if you need a ride."

*Note: This text, works better if you already teased her during the initial interaction. If you were nice and charming when you first met her, and then you send something like this, it may not be congruent and probably won't have the right effect.*

"I hope you are smiling. If not just think of me!"

"I make Mondays feel like Fridays"

“I heard on the news someone checked into the psych ward wearing only a thong and riding a goat. I'll come & get u.... BUT THIS SHIT HAS 2 STOP!!!!”

“How much do you love me today?”

Note: You can also say, “How much do you miss me today?”

“If you're not smiling, then you're not thinking of me ;)”

Note: This is slightly cocky so it's a good idea to use an emoticon at the end

“Today is HOLY SHIT YOUR HOT DAY, send this to someone you know who is HOT, just not to me, I've been getting this text all day!”

“So I felt you should know the snapple fact of the day....Your eye expands up to 45% when looking at something pleasing. Now I know why you are all bug eyed when I'm around!”

“Hey I was just thinking about you, wish you were here...so you could cook me something and do my dishes :p”

“I just don't think we should do this anymore...Sometimes you make me feel like I am just a piece of meat.

“Did you know a blue whale's tongue weighs as much as an elephant!?...gotta love animal planet :)”

“If you came home to find someone's sex toys on your sofa how are you supposed to react?”

“6 truths in your life: 1. You can't lick all your teeth with your tongue. 2. You're an idiot, because you just tried to prove truth number one. 3. Truth one is a lie. 4. Now you're smiling, because you're a goof. 5. You'll send it to another idiot in the near future. 6. You're still smiling ;-)”

“Girls have cooties”

"Hey, my slacking at work finally caught up with me. I think they are going to kill me! I already heard them looking for pitchforks and torches. How's your day?"

**Girl:** "What? I always wear protection" (her role-playing back)

**Matt:** "What about that one time after the club when we were drunk?"

**Girl:** "Oh yeah...but we got the morning after pill"

**Matt:** "If you don't want it just tell me."

**Matt:** "Hey it's your phone again.....Just had to tell you this guy is, WOW! I've got his number right here. Let's text him and set up a date."

*Note: You're role-playing that you're her phone*

**Girl:** "your silly!"

**Matt:** "I'm just looking out for you.....Besides his cell phone was kind of cute too"

**Matt:** "Have you been spending my child support money on alcohol again? Please remember the kids!"

**Girl:** "Yeah sorry about that"

**Matt:** "Just don't let it happen again...you know I need that money for hookers and weed! UGH!"

**Matt:** "Hey I was thinking....lets take over the world together?"

**Girl:** "I was just thinking the same"

**Matt:** "Ok your code name is Pinky I'll be Brain"

**Girl:** "Sounds good haha"

.....(later that day).....

**Matt:** "Hey there. How's my little villain sidekick? Have you finished your calculations for world domination?"

**Girl:** "Not yet, I'm still watching Will and Grace lol"

**Matt:** "We're gonna need to meet up in a secret location....whats your schedule like this week?"

**Girl:** "Busy until Wed"

**Matt:** (name of bar) "thurs at 9pm.....this message will self destruct"

**Girl:** "Ok can I bring a friend...."

**Matt:** "Wanna go for a ride in a Ferrari?"

**Girl:** "do you have one?"

**Matt:** "Nope...was hoping you knew how to hotwire one."

**Girl:** "I can youtube it lol"

**Matt:** "Don't lie, I did a background check on you and saw you the 4 GTAs on your record."

**Girl:** "What are you trying to say"

**Matt:** "Lets fly to Vegas and elope....u have your parents credit card right?"

**Girl:** "Ok I'm in...."

**Matt:** "Marry me."

**Girl:** "Lol, ok! Why?"

**Matt:** "Because you're cute, sweet and I bet you can bake your ass off."

**Matt:** "I had the dirtiest dream about you last night..."

**Tamara:** "Oh really?"

**Matt:** "Yeah, we were running down a hill in the rain and we both slipped and got covered in mud....so we started mud wrestling. It was so dirty :)"

**Tamara:** "Oh I was totally thinking something else lol"

**Matt:** “Well I didn’t tell you how after we wrestled in the mud I gently pinned you down and slowly began lifting up your satin shirt. Your heart raced and a surge of red hot passion filled your loins as I sweetly whispered into your ear.... :)”

**Tamara:** “wow wasn't expecting this....what did you say!?”

**Matt:** “It’s a secret. I will tell you when I see you”

“Let's fly to Las Vegas, get married, argue about our third kid's name, divorce, and grow old lonely and depressed”

“Hey I decided we are going to eat tonight, start looking for a strip club that sells food and has amateur night, you're gonna win us some grub!”

Note: You’ll be surprised by the amount of women that love to imagine they are strippers.

**Matt:** "here's mine ya perv" (send pic)

"Are you good at back/foot rubs?"

# INTERESTING QUESTIONS

**Matt:** “You seem to be a very open person, which is good....question, how soon after you meet someone do you think it's OK to talk about sex?”

**Jewels:** “I'm comfortable right away”

**Matt:** “You seem very sexually liberated...I like powerful independent women”

“What was your first impression of me?”

“Are the guys in your life really nice to you or are they kind of dicks like they all want to sleep with you?”

“At what point did you realize you were attracted to me?”

“What's one of your biggest fantasies?”

“How well in tune with your own sexuality would you say you are?”

Note: Don't use this as your first Interesting Question

“Pillow fights or bedtime stories?”

“What's more important to you...looks or personality?”

“What turns you on? I mean, do you ever read romance novels?”

“When was your first kiss?”

“What's one thing that really turns you on...in life? Like it just jump starts your engine?”

“What's something that scares you in life?”

“What did you want to be when you were little?”

## FLIRTING

**Matt:** "The West Coast Cuddle Champ is defending his title...I don't think you're ready for this matchup."

**Girl:** "is that a challenge :)"

**Matt:** "Only if you're a good cuddler."

**Girl:** "I fit like a puzzle piece"

**Matt:** "Will you go out with me? (a) Yes (b) a (c) b"

**Girl:** "d....none of the above lol jk"

**Matt:** \*Crossing fingers\*

**Matt:** "Just confirming that there is no sex tonight"

**Girl:** "Who said we're having sex?"

**Matt:** "Exactly, just making sure."

"#5 thing I like about you is [put what you like about her]"

**Girl:** "Your silly"

**Matt:** "Random question....do you believe in love at first sight?"

**Janet:** "Yeah I suppose why?"

**Matt:** "See, I think it takes longer like I really need to get to know a person and learn to love all of their little quirks.....for example I really like the way you [name one of her quirks and describe it in detail]."

*Note: The key here is to be honest and detailed and focus on the intangible things you like about her*

**Matt:** "Hey!"

**Matt:** "Guest what?"

**Girl:** 'Huh?"

**Matt:** "We go together like cocaine and waffles."

**Bri:** "What are you doing?"

**Matt:** "Thinking of you (and taking cold showers) =D"

**Peggy:** "Sure"

**Matt:** "Let's say you were this confident guy about 5'10" blue eyes and you were texting this cute blonde girl about 5'3" dark hair [describe her]....what would you say if you wanted to flirt with her?"

**Peggy:** "Hahaha I don't know :)"

**Matt:** "You don't know? But you're a girl....you're supposed to be good at this whole flirting thing lol"

*Credit: Robbie Kramer*

**Girl:** What are you doing?

**Matt:** Besides thinking about you? Nothing ;(

**Girl:** Shut up

**Matt:** Serious. Your 2nd shrine is almost done, want to see?

“You make me feel like a pudgy, naked, winged child has shot an arrow into my chest cavity”

*Note: Works great around Valentines Day.*

“It's weird how people don't talk on the phone anymore...it's like everyone forgot how. I bet you are fun on the phone :)”

“I feel like we connect really well with each other, know what I mean?”

# SETTING UP THE DATE

**Matt:** "We need to hang out. I think you're getting bored of not hanging out with me."

**Girl:** "That's what you think huh?"

**Matt:** "That's what my fortune cookie told me."

**Matt:** "What are you doing tonight besides charming the pants off guys?"

**Girl:** "Actually just writing my term paper tonight"

**Matt:** "Don't worry about it I'm calling in a bomb threat tomorrow...."

**Matt:** "Guess what?!?!"

**Girl:** "what?"

**Matt:** "You'll do! So get ur sexy ass over here!"

**Girl:** "lol ok I get off work at 7"

**Matt:** "So..."

**Girl:** "What are you doing I'm bored"

**Matt:** "You're bored? Well, if you play your cards right, I might take you to this awesome place..."

**Girl:** "where?"

**Matt:** "It's a secret"

Going for a Phone Call....

**Matt:** "Ok I'll call you later"

**Girl:** "k :)"

**Matt:** "But there's rules if I call you...you have to answer and say "OMG I'm so glad you called I've been waiting for u to call all day!"

**Girl:** "haha deal"

"Oh sorry you can't come over tonight I've got this cute little, french-speaking girl coming over who can't cook for shit"

*Note: Used after the date was set up for a girl who spoke french and couldn't cook*

“We are going to be at X bar, you and your friends should stop by”

*Note: X = name of the bar or club*

“Watcha doin? You won't believe what happened to me in the last 24hrs....let's just say it involved 3 work meetings, 5 bottles of vodka, 2 late night cab rides and a penguin Anyhow I'm going out a couple of times to celebrate this week, but I might get a few hours to spare at some point, how's your week looking?”

*Credit: Adam Lyons*

“Your loss princess...epic night... I'm busy all next week :p”

*Note: Send something like this after you call and she doesn't pick up.*

“I need some female attention...come over!”

*Note: Works best if you've already slept with her or are very close to the point of sleeping with her.*

“You have to get your ass over here! It's CRAZY!”

*Note: If you're at a fun event and there's a chance she might be able to meet you.*

“Red or white wine?”

*Note: A simple qualification question that can transition into asking her out.*

“Which night shall we go for?”

Or

“When can we get together?”

*Note: The word “we” fosters togetherness. So substitute the word “we” or “us” instead of “you” to create a sensation of intimacy with someone even if you've just met them. See example below.*

“I know we want to see each other but I might have to meet up with a friend....I'll keep you posted :)”

*Note: This uses the concept of “Negation” and “We”*

“Sat. Party. Me. B there or B []”

*Note: This is short and to the point which shows dominance and confidence. [] = “square”.*

“Party @ friends house sat. B cool and come with”

**Girl:** "I have that affect on people ;)"

**Matt:** "Cocky....I like that."

**Matt:** "We're gonna have wild passionate text all night long."

**Girl:** "lol is that what you think?"

**Matt:** "It's what I know!"

"Don't get too horny without me :P"

*Note: Best if used after you've slept with her or are very close to sleeping with her.*

"Come over to myspace and I'll twitter my yahoo and google all over your facebook"

“Today is F.U.C.K. day (friends you can keep). I just fucked you! You know you liked it! So f.u.c.k. whomever you want. You better f.u.c.k. me back! Lol”

“Smile if you masturbate....:)”

*Note: Use these with caution but if she's a very sexual girl with a good sense of humor she will respond positively.*

# ANSWERING HER QUESTIONS

**Girl:** "Are you on Facebook?"

**Matt:** "Depends on who's stalk.....asking ;)"

**Girl:** "I'm not a stalker punk"

**Matt:** "THAT'S WHAT THEY ALL SAY!"

**Girl:** "When do you work this week?"

**Matt:** "You should know, I see you sitting in your car outside my work all week long."

**Girl:** "You know it!"

**Girl:** "Who is this?"

**Matt:** "How many tall crazy sexy guys have you met today? lol" –Matt

**Girl:** "Ooooooh hey what's up?"

**Girl:** "You're always working huh?"

**Matt:** "Well of course! How else am I gonna support our huge ass family of 6? Diapers ain't cheap!"

**Girl:** "lol you're funny"

**Matt:** "Okay, you pay the bills then! I've been missing my Judge Joe Brown shows. Yeah, I said it!"

**Matt:** "You can be so selfish at times."

**Girl:** "What's your name?"

**Matt:** "Handsome Motherfucker!"

**Girl:** "I don't remember meeting a handsome motherfucker, sorry."

**Matt:** "Oh that's adorable. Playing hard to get. Very refreshing -Matt"

*Note: Make sure you always sign your first text!*

**Girl:** "So what do you do for a living?"

**Matt:** "Well.....I'm an ass model.....so don't you try to grab it...I just got it insured"

**Theresa:** "What are you up to tonight?"

**Matt:** "Tonight's my weekly melted haagen-dazs bath!"

*Note: Use a fake response like this only if you cannot actually meet up with her. If she's asking you "what are you up to?" then she most likely wants to hang out with you.*

**Kathy:** "Who is this?"

**Matt:** "Matt.....the man of your dreams...duh"

**Jezebel:** "Who is this?"

**Matt:** "The unattractive guy that was super boring and lame"

*Note: I know this one seems super counterintuitive, but it really conveys to the woman that you don't give two hoots whether she likes you or not*

**Girl:** "So why did you decide to hit me up?"

**Matt:** "I saw a shirt that said 'cutie' on it and was like, man, I haven't talk to [girls name] in a minute."

**Girl:** "That was pretty good, you get points"

**Matt:** "Score!"

*Note: This is how to respond when she asks why you hit her up.*

**Matt:** "We need to talk, look it's not you its me. here are the rules to our breakup....I can see other ppl but u can't...that includes sleeping with all your friends"

**Girl:** "you are the most random guy ever!"

**Matt:** "Hey you're the one who's losing me, so if you wanna win me back you have to follow the rules. I'm also expecting u to do my laundry and pay my rent."

**Matt:** "I miss the way you text to me :'( "

**Girl:** "you stopped texting me"

**Matt:** "It takes two to tango, miss!"

“Hey brat you are so irritating to get a hold of...it's kind of cute though. You must be very lost and disorganized. It's like you're my pesky little confused step-sister. Ok, if I adopt you then we need to get your shit straight before we can build a treehouse and sing Old McDonald's deal?”

# \*ACTION WORDS\*

Action words can be used in a lot of texts; from flirting to role playing, the key thing is to have the “\*” star at the beginning and end of the word or action like \*walking away\* or \*waving\*. At first it will almost seem a bit childish, but it’s fun and playful and it stands out 10 times more than every other guy that’s texting her. Below are some examples of how to use action words when texting...

Opening text:

“Hello, Sarah! \*waving\*”

Role playing:

**Girl:** "I’m keeping the house and you can have that stupid dog!"

**Matt:** "FINE!" \*walks away\*

Being playful:

**Matt:** "Did I score any brownie points?"

**Matt:** \*crossing fingers\*

**Girl:** "A few but they can be taken away real fast."

Being playful:

**Girl:** "No, you’re not allowed anymore!"

**Matt:** "WHAT???" \*holds head in shame\*
